

THE COMMISSIONER'S
2019 SUMMER
MATH
CHALLENGE

Join the Summer Math Challenge!

Two exciting ways to participate:

GRADES 1-8

quantiles.com/summer-math

1. Go to quantiles.com/summer-math to enroll your child.
2. Starting Monday, June 17, check your inbox for daily emails with fun math activities and resources.
3. Visit quantiles.com/summer-math every day to read about the weekly math concept and earn badges.
4. When the program ends on Friday, July 26, print an award certificate to celebrate your child's summer accomplishment!

HIGH SCHOOL

khanacademy.org/mission/sat

1. Go to khanacademy.org/mission/sat.
2. Set your current skill levels by completing diagnostic quizzes, taking a full test, or link your SAT, PSAT/NMSQT®, PSAT 10, or PSAT 8/9 results.
3. Practice math every day to keep your skills sharp.
4. When summer ends, record the amount of time you spent practicing on Khan Academy.

The Commissioner's Summer Math Challenge is a FREE math skills maintenance program based on the Connecticut Core Standards for Mathematics. The program is designed to help kids retain math skills learned during the previous school year.
